STATEMENT OF FACT AND POLICY

As authorized by 12 M.R.S.A. Sections 6172 and 6192, the Commissioner of the Maine Department of Marine Resources enacts the emergency DMR Regulation 95.09 EE, Closed Area No. 55-G, Money Cove, Cutler. This regulation closes Money Cove northwest of a line drawn between Marsh Point and Otter Point.

Department personnel sampled shellfish in the described area and have determined that the newly closed area is subject to intermittent microbiological pollution and that harvesting of clams, mussels, oysters and quahogs in the closed area could pose a threat to the public health.

WILLIAM J. BRENNAN
Commissioner
